Provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current period of insurance, you will be entitled to a return of premium calculated on a pro-rata basis, less an administration charge of £25. This is subject to certain terms and conditions, full details of which can be found in the policy wording.

If you wish to make a change or if there is anything you do not understand please contact your business insurance specialist. If you fail to do so your policy may not operate or not operate fully.
