

Introduction

The purpose of this document (which we refer to as our "Terms of Business") is to describe the terms upon which we will provide our services to you and that govern our relationship with you. It also contains details of our regulatory responsibilities.

By accepting an insurance quotation or otherwise asking us to carry out any of the services described in these Terms of Business you are agreeing to the terms set out in these Terms of Business. Please read this document carefully as it contains binding obligations on you and us and governs our relationship with you. You should contact us if there is anything in this document which you do not understand or with which you disagree before you accept a quotation or otherwise ask us to carry out services and so agree to be bound by these Terms of Business.

These terms take effect immediately as our Terms of Business and supersede any Terms of Business that may have been previously sent to you. A reference to your policy in these Terms of Business refers to each and every policy which you purchase through us.

About us

Premierline Business Insurance Broker, "Premierline", is a trading name of Allianz Business Services Limited, which is an insurance broker that is wholly owned by Allianz Holdings plc. Our registered address is 57 Ladymead, Guildford, GU1 1DB. The ultimate parent company of Allianz Holdings plc is Allianz SE, which forms part of the global Allianz group of companies ("Allianz Group"). Allianz Holdings plc wholly owns a number of undertakings that carry out insurance business.¹

In this document 'we', 'us' and 'our' means Allianz Business Services Limited trading as Premierline.

Who regulates us

The Financial Conduct Authority (FCA) is the independent watchdog that regulates financial services.

Allianz Business Services Limited is authorised and regulated by the Financial Conduct Authority. Our permitted business is intermediating on general insurance contracts. Our FCA Register number is 304779. This can be verified by visiting the Financial Services Register which can be found on the website <http://www.fca.org.uk/register>.

Insurers

We assess the financial soundness of the proposed insurers for our panel using public information that can include that produced by recognised rating agencies. Our assessment is subjective and we cannot guarantee or warrant the solvency of any insurer or the future ability of any insurer to meet its obligations to pay claims.

If requested by you, we will make available to you any factual analysis that we have prepared in respect of the insurers we propose to use to meet your requirements. Further, we can consider your market security enquiries on an ad hoc basis which may be subject to separate terms and additional remuneration.

The service we provide

We are an insurance broker. We offer transactional and/or advisory services for your insurance requirements over a range of general insurance products. We offer products from a selected panel of insurers which allows us to offer a portfolio of general business insurance products. The insurers we work with have been carefully selected due to their ability to insure the risks presented. In certain cases, an insurance product from the panel may not meet the customer demands and needs; in these instances we may approach a wider range of insurers or a single insurer/intermediary. You can request a list of the insurers we have approached. Where we give advice and recommendations, it is on the basis of a fair analysis of the market.

(i) Website only purchases

We will not provide you with any advice or make any recommendations in relation to the insurance policies which you purchase on our website. We offer products from a range of insurers but we are not under any contractual obligation to offer or sell products exclusively for any insurer.

We will provide you with information about the insurance cover available based on your online answers to questions. Your answers will be used to narrow down the selection of products and covers made available to you, to enable you to decide if the insurance coverage is appropriate for your needs and whether you wish to proceed.

You will then need to make your own decision as to the suitability of any such product for your circumstances.

(ii) Advice services

For all other sales (this includes when we contact you to discuss information that you have entered into our website forms) we will discuss with you or your representatives your insurance requirements, including the scope of cover needed, limits to be sought and cost. We will then advise and make a recommendation for you after we have assessed your demands and needs.

We sometimes also act as an agent of the insurer in relation to the coverage proposed, or the insurer may have outsourced to us certain work related to the administration of your policy. Generally we act as agent of an insurer when insurers have granted us a binding authority or managing general agency, which enable us to accept business on their behalf and immediately provide coverage for a risk.

We will disclose to you where we act as agent of the insurer or provide services to the insurer when providing you with information on the coverage proposed.

We do not offer advice in relation to determining suitable levels of cover and resulting sums insured nor do we provide advice on tax, accounting, regulatory or legal matters (including sanctions) and you should take separate advice as you consider necessary regarding such matters.

Additional services

If requested, available and appropriate we may agree to provide you with a number of additional services which fall outside our core service provision. These services will be set out to you when our relationship commences. Such services may be subject to the agreement of separate terms and additional remuneration.

¹ The undertakings that carry out insurance business that are wholly owned by Allianz Holdings Plc are Allianz Insurance Plc., Home and Legacy Insurance Services Limited, Allianz Engineering Inspection Services Limited and Pet Plan Limited

Disclosure of information by you

In order to make our business relationship work, you must provide complete and accurate information and instructions in a timely manner, so that we can assist you fully.

Please bear in mind that it is your responsibility to make to us and/or the insurer a fair presentation of the risk before you take out your policy, throughout the life of the policy and when you renew it. You must disclose every material circumstance which you know or ought to know or, failing that, disclose sufficient information to put a prudent insurer on notice that it needs to make further enquires. You must make these disclosures in a manner which would be reasonably clear and accessible to a prudent insurer. You must also ensure that any representation you make as to matters of fact are substantially correct and representations you make as to a matter of expectation or belief are made in good faith.

It is important that you ensure that all statements you make whether verbally or in writing on proposal forms, claim forms, and other documentation are full, frank and accurate. If you are in any doubt as to the relevance of any information you should discuss it with us.

Please note that if you fail to make a fair presentation of risk and/or you fail to disclose a change of circumstances to us and/or your insurer, this could invalidate your insurance cover and could mean that part or all of a claim may not be paid.

We strongly recommend that you check the information you provide to us thoroughly prior to submission and that you keep a record of all correspondence you send or receive from us or your insurers in relation to the arrangement of your insurance cover.

Please discuss with us if you have any doubts or concerns about what information you should disclose to your insurers.

We are not responsible for any delays in the provision of information by you; for any inaccuracies or omissions in the information you provide or for any misrepresentation made by you.

If you do provide false or inaccurate information and fraud is identified your details will be passed to the fraud prevention agencies. Further details on how the information held by the fraud prevention agencies may be used are available upon request.

Policy documentation

We will issue documentation to you by email unless we notify you otherwise, or you tell us that you wish to receive correspondence by post. Your policy documentation will consist of: the policy schedule, the policy terms and conditions and, where relevant to the insured risk, a certificate of motor insurance and/or an Employer's Liability certificate and/or a Personal Accident Travel document and/or, an assurity bond certificate as well as any other documentation we are required to send to you.

Where we have made a recommendation to you we will enclose a statement of demands and needs with your documentation. You should read this carefully as it will set out the reasons for our recommendation and will help you to decide whether to accept the insurance cover.

You are responsible for reviewing all of the documentation we send to you recommending cover or confirming that you have cover to ensure that it is in accordance with your instructions and accurately reflects the cover, conditions, limits and other terms that you require. Particular attention should be paid to any contract conditions, warranties and the claims notification provisions as failure to comply with these may restrict or invalidate your coverage.

If you have any questions about the coverage, conditions, limits or other terms, or the cover does not meet your requirements you must contact us immediately.

Change in circumstances

You must advise us as soon as possible of any changes in your circumstances that may affect the services to be provided by us or the cover provided under your insurance contract.

Claims

If you need to make a claim you must liaise directly with your insurer and notify them as soon as possible of a claim or circumstances which may result in a claim. Full details of how to claim can be found in your policy wording.

Please carefully consider any claims reporting instructions provided to you, as failure to report a claim in a proper and timely manner may jeopardise coverage of the claim.

If agreed with you we may agree to liaise directly with your insurer on your behalf and/or to provide our claims handling services for the period of our appointment or, beyond that point, by mutual agreement. These services may be subject to additional remuneration.

On agreement, our claims handling services will include, upon receiving the required information from you, the notification of the claim or circumstances to your insurer, representing you in the resolution of the claim and arranging the collection and/or settlement of the claim in accordance with market practice and the terms and conditions of your insurance contract.

Where we collect claims payments, these will be remitted to you as quickly as possible. However, we will not remit claims monies to you before we have received them from your insurer.

Renewals

Prior to the annual renewal date you will receive an invitation to renew the policy.

You should read the renewal invitation documentation to ensure the insurance cover continues to meet your insurance needs and contact us if anything is inaccurate or you need advice on any aspects of cover.

We will revisit your insurance needs at renewal with appropriate insurers and advise you within the renewal invitation if we determine that it is in your best interest to consider an alternative insurance product. If you instruct us to do so we will provide you with insurance advice, make professional recommendations and place insurance cover for you with an alternative insurer.

Unless otherwise agreed we operate an automatic renewal process, therefore:

If you pay by Direct Debit, you will:

- Continue to pay equal monthly instalments to your premium finance provider (see Premium finance section), providing the Direct Debit Mandate remains in force.
- If you do not wish to renew your policy or do not wish to continue paying by Direct Debit you must notify us and your premium finance provider before the policy expires.

If you pay by credit or debit card and have provided consent to the use of a continuous payment authority, we will:

- Attempt to take payment using the card that was used to pay the annual premium the previous policy year. The request for payment will be taken no earlier than 7 days prior to your renewal expiry date.

General Terms of Business Agreement for our Clients (continued)

Renewals (continued)

If you do not pay by Direct Debit or have not provided consent for continuous payment authority, you must contact us to make arrangements to pay the premium in full prior to your renewal date.

The policy will then remain in force unless you choose to exercise your right to cancel the policy in accordance with these Terms of Business.

If a valid Direct Debit instalment plan is not in force or you do not pay the insurance premium in full prior to your renewal date then your insurance cover will cease on the renewal date.

Our remuneration and other income

Our remuneration for the services we provide to you will usually be brokerage commission, which is a percentage of the insurance premium paid by you and allowed to us by your insurer, and if appropriate an administration fee.

Brokerage commission and fees are ordinarily earned for the period of the policy at inception, and unless otherwise agreed with you, we will retain all fees and brokerage commission in respect of the full period of the policy in relation to policies placed by us including in circumstances where your policy has been terminated and your insurers have returned prorated premium. Consistent with market practice, we will deduct our brokerage commission and other commissions from the premium once received.

You are entitled, at any time, to request information regarding any brokerage commission or fee which may be received as a result of you placing your insurance business with us.

We will promptly disclose details of any commission or any other form of remuneration that we or any of the companies within the Allianz Group receives, on your request.

It may, at times, be appropriate (and for your benefit) for us to use other parties such as wholesale brokers, excess and surplus lines brokers, underwriter managers, managing general agents or reinsurance intermediaries. These parties may also earn and retain commissions for their role in providing products and services to you, about which you are also entitled to request information on at any time.

Some insurers may make additional payments to us reflecting the size and/or profitability of our account with them and/or in respect of work we undertake on their behalf. In addition we may also receive payment from other firms, such as premium finance providers, where non-insurance products or services are supplied to you. We may also receive a brokerage fee as a result of our arranging a premium finance loan for the facilitation of your premium instalments, which will be included within the transaction fee charge. Please refer to the "Premium Finance" section for further information.

Administration costs

Details of our administration costs that you pay us for our services are set out in the table opposite below.

Type of Transaction	Fee
Administration fee for new policies, renewals and mid-term transactions (if applicable)*	£25.00
Cancellation fee	£50.00

* We may charge less than £25 for a mid-term transaction and will inform you if that is the case before the change is made.

Handling of insurer/client money

We do not pay premium to insurers on your behalf until we have received it from you, nor will we pay claims or other monies due to you before they have been received from insurers (or other relevant third parties). However, in the event that we decide to make any payment on your behalf or make any payment to you prior to receiving relevant funds from either you, your insurer or other third parties, we will be entitled (without prejudice to any other remedy available to us) to recover that amount from you by deducting that sum from any amount which is due to be paid to you, whether that amount relates to the policy for which we have made payment on your behalf or a payment to you, or to any other policy that we handle for you.

Insurers' monies: In the majority of cases we receive the premiums you pay to us as agent for the insurers. This means that, in effect, premium has been paid to the insurer as soon as it is received by us. So, if (for any reason) we do not pay those monies to the insurer, you cannot be obliged to pay again. Further, any premium refunds or claims monies paid to us by the insurer will only be treated as received by you when they are actually paid over to you by us. Where we receive monies as agent for an insurer you should note that from the moment monies are received, we are only able to transfer the money to the order of the insurer. Therefore, upon receipt we are not able to return such monies to you or to transfer such monies on to another party without the express consent of the insurer on whose behalf we have received monies.

On occasions, we may require your premium payment to be made directly to another FCA regulated entity when the above transfer process does not apply.

Payment of premium

You will be required to pay the premium in full unless you agree to pay by instalments by direct debit. If you pay by direct debit you will be required to do so in accordance with the section headed "Premium Finance" in these Terms of Business (below).

You will provide settlement of any premium payable with cleared funds of all monies due in accordance with the payment date(s) specified in our debit note or other relevant payment documentation (the "Payment Date"). Failure to meet the Payment Date may lead to insurers cancelling your policy, particularly where payment is a condition or warranty of your policy. It is imperative that you meet all Payment Dates.

Premium finance

You may have arranged to pay by a Direct Debit instalment plan directly with your insurer. If not, we act as a credit intermediary and introduce premium finance loans from Premium Credit Limited (PCL) a third party finance provider. PCL's registered office address is: Premium Credit Limited, Ermyn House, Ermyn Way, Leatherhead, KT22 8UX.

PCL are registered in England and Wales under company registration number 2015200 and are authorised and regulated by the Financial Conduct Authority.

A premium finance loan allows you to spread the cost of your insurance premium. You may be required to pay a deposit. The loan itself includes the insurance premium and transaction fee. A brokerage fee is paid to us for introducing business to PCL and this is included within the transaction fee charge. We will give you full information about the premium finance facility when we discuss your insurance in detail.

General Terms of Business Agreement for our Clients (continued)

Premium finance (continued)

Before committing to a loan it is important that you ensure that you can afford the monthly instalments. If you choose to manage your insurance premium payments through direct debit your credit agreement will be with PCL. In the event that you default on this credit agreement, PCL has the right to recover any losses from us (Premierline). In this instance, we have the right to request the outstanding premium payment in full. Failure to meet the payment date may put your policy at risk and leave your business without cover in the event of a claim.

All activities undertaken by us as outlined in this document are provided by us for your exclusive use and all data, recommendations, proposals, reports and other information provided by us in connection with our services are for your sole use. We are unable to give advice on the applicability of any sanctions regimes to you. If your policy provides Employers' Liability cover, information relating to your insurance policy will be provided to the ELTO and added to an electronic database, (the "Database") in a format set out by the Employers' Liability Insurance: Disclosure by Insurers Instrument 2010.

The Database assists individual consumer claimants who have suffered an employment related injury or disease arising out of their course of employment in the UK for employers carrying on, or who carried on, business in the UK and who are covered by the employers' liability insurance of their employers, (the "Claimants"): to identify which insurer (or insurers) was (or were) providing employers' liability cover during the relevant periods of employment; and to identify the relevant employers' liability insurance policies.

The Database and the data stored on it may be accessed and used by the Claimants, their appointed representatives, insurers with potential liability for UK commercial lines employers' liability insurance cover and any other persons or entities permitted by law. The Database will be managed by the ELTO and further information can be found on the ELTO website www.elto.org.uk.
